

**WORLDWIDE MILITARY
BAPTIST MISSIONS
MAY - JUNE 2023**

Dear Prayer Partners and Co-laborers in Christ,

THIS PICTURE SAYS IT ALL! Pastor Clint Minnick of Freedom Baptist Church in 29 Palms, CA, led this young Marine (and many, many others!) to the saving knowledge of Jesus Christ! Amen! We rejoice in the fact that God continues to work in the hearts of our troops on our military bases worldwide. ***Please keep praying for souls in uniform to be saved and growing in the grace of God!***

Commanders on military bases are permitting the Gospel of Jesus Christ to be preached in Base Chapels, and they are allowing local churches near bases to minister Christ on their base. ***Our Lord is faithfully and wonderfully working to see our troops get saved!*** God's omnipotence and truth, and our "work of faith, labor of love, and patience of hope in our Lord Jesus Christ" (I Thessalonians 1:3), have allowed WBM ministries to continue to reach souls for the glory of God. ***Your fervent prayers and gracious support continue to help us "strike while the iron is hot" during this time of soul-winning and the salvation of troops worldwide! Thank you for praying for our troops!***

✝ Based on the results of our various military ministries in the US and abroad, we truly believe that God unremittently touches the hearts of our young men and women who join the five military services as well as the Reserves and National Guard Programs. ***Our nation's teenagers, who are called "Generation Z", are seeking for and desperately need the TRUTH! As such, our young troops are ready to hear and receive the gospel truth, and they are getting SAVED!*** This fact is illustrated by the evidence of dynamic military ministries we support and assist that are located near Army, Navy, Marine Corps, Air Force and Coast Guard bases where over 40,000 young people (*teenagers!*) annually attend basic and advanced training. May God move their hearts toward Him. ***Generation "Z" is Turning to Christ!***

✝ The members of Tabernacle Baptist Church, Lebanon, MO, have ministered Christ to soldiers on Fort Leonard Wood, MO, for 45 years! Their "Free Day Away Soldiers Ministry" faithfully brings soldiers to their church for food, fun and the Gospel of Jesus Christ! ***Thousands upon thousands of soldiers have been saved since this program began in 1976!*** Pastor Donnie Ball, his brother Mike and the members of this wonderful church ministry are preparing for the soldiers who attend this program every week. These are only a few of the numerous ministries we love and support who are endeavoring to see our troops saved, but it is only because of those reading this letter who care enough to pray and provide for these ministries that we are able to do what we do for the glory of God. ***We sincerely Thank You for loving us and keeping us "on the firing line."***
