

The Polanco Family

Dear Praying Partners,

01.04.2024

We hope you are well and enjoyed a blessed Christmas season and a happy New Year. We also extend our heartfelt thanks for your support throughout the year. We pray for all of you to have a blessed and prosperous 2024!

Christmas Dinner

The Christmas Dinner was an event filled with gratitude as new visitors joined us, and the entire church actively participated (a first for our church). Testimonies added to the joy, ending in a surprise honor plaque crafted by the church for Pam and me. Hearing how God has used us to bless His people here was inspiring, and we consider it a great honor. We started church planting early on in our lives, and many had made the comment that we were quite young to be in ministry, but we have always found great encouragement in 1 Timothy 4:12, "Let no man despise thy youth; but be thou an example of the believers..." Despite our age and ministering to people in diverse life stages, the Lord has enabled us to remain faithful to our calling.

Early Goals for 2024

Our evangelism campaign (partnered with several other ministries in the DR), initially slated for December, has been rescheduled to January due to logistics. Nevertheless, we're thrilled to kick off the month by daily sharing the gospel our wonderful Savior. During the campaign, our goal is to go out more often as a church to preach the gospel, give out more romans and gospel tracts, and go into public schools to give out literature and share the gospel. All with the purpose of having more prospects, seeing more people saved, baptized and discipled. Also, we're looking forward to starting Bible studies in the small town of Mata Bonita the first week of February. Mata Bonita is 45 minutes away from Nagua and we're building connections in this town of 10,000 people where there's no Gospel-preaching church. Please pray for guidance as we venture into this new area through the church in Nagua. If the Lord permits, the goal is to establish a church there this year, with the upcoming Bible studies marking the first stage of this new ministry.

Prayer Requests:

- Evangelism Campaign in January.
- Bible Studies in Mata Bonita
- Pamela and the Baby's Health.
- The completion of the purchase process (legal part of the Title).

A Little Miracle on the Way

Pam and I are thrilled to share that our prayers for a baby have been answered. After seven years of longing, our little miracle is expected in July. Though the journey has been long, we're grateful for God's perfect timing. Please join us in praying for Pam's health throughout her pregnancy, delivery, and for the baby. Pam has been on medical bed rest for the past six weeks, bringing significant changes to our home. I appreciate prayers as I juggle home duties and ministry. We are grateful for the Lord's daily help and strength at every step of this journey.

In Christ,

Jeffri & Pamela Polanco
