Ministry of International Asian Mission Cooperative - Church Planting in Metro Manila – Sent by Grace Bapt. Church, Marion, IA

The Local Church Age

It is exciting to live the Saved life that God has given us (1Cor. 6:19,20) through His Great salvation to: walk with Him, to find/ Obey His will, preach His great Gospel of Salvation by grace, winning souls, and to be used of Him to build His Local Church Ministries throughout the world. As His Word teaches: Jesus Christ came to Save sinners (like me), set the Best Example for all of us to follow, feel our infirmities, and to build His Church mighty plus triumphant in much fruit for His Glory (Matthew 16:18).

>The carnal culture we are experiencing in this age of compromise is emphasizing the temporal things of: "fun", social fellowship programs, love of money, & recreation... Yet the commands and wisdom of Christ focuses on the saving of souls along with building His Church (which is "the called out" fellowship of eternally saved souls). Suffice to say, people, families, & whole countries are falling apart without Christ working through a Strong Local Church!

> We Praise God that the Philippines (the nation God has called us to win souls and plant new Local Churches) is both open to receiving the Free Gift of Salvation along with building strong Local Bible Preaching Churches. Below are the pictures of the converts whom many have visited church!

Growing Local Churches

Local Churches are growing all throughout the Metro Manila Area. Below pictures are of another church plant in Antipolo / Rizal reaching the lost in a very poor district. We were glad the dirt floors are now concrete.

My wife and I had the opportunity to travel to our nearly two year old church plant in Tuguegarao City to help them prepare for our Two Year Anniv. Celebration. Pray for many people to attend this celebration in that it will be in the Downtown District City Auditorium. This venue is remodeled and air conditioned with a large capacity of up to 900 attendees. Praise: the city Mayor is allowing us to use it for less than a \$100. We are expecting many souls saved and added to the church! See below pictures:

Tuguegarao Ch Plant - Area outreach

New Ch Van!! - Jeepney - Leadership! The above is the New Van that was given to our Tuguegarao Church by a supporting Ch. and supporting family in Arizona USA.

Ch Ensemble - Growing Naga Ch Plant Great example of the open effectual door given to us by The Lord in the city of Naga (Bicol region). Many souls are continually being saved out of catholicism and most of the converts are both attending the church services along with going Soulwinning and attending the neighborhood Bible studies...

Visiting USA Pastors

Special Thanks to three of our supporting USA Churches that allowed their Pastor to visit us here in the Philippines. It is always a great encouragement to have visitors...
