1,000,000 Scriptures Printed and 900,000 Shipped this Year! GOD ANSWERS PRAYER FOR KENYA!

What an interesting day in which we live! I'm sure, as Pastors of local Churches, you are well aware of the spiritual warfare waged on your ministries. Satan also fights this ministry in every way, including his recent attempt to steal a container of Scriptures in Kenya. After much prayer, and to God's glory, the container of Bibles was released and is already being distributed to those precious souls in need! With all the uncertainty that this Nation faces, along with the wars and turmoil in many of the countries to which this ministry sends Scriptures, we are reminded to continue following our Saviour in this Christian life! After many followers abandoned Christ, He asked the twelve if they, too, would leave. Peter responded, "Lord, to whom shall we go? Thou hast the words of eternal life." (John 6:68) Those words of eternal life are the only hope for any person, family, and country! While we watch this old world become "gloriously dark", let us remember the Light of the Gospel is still the answer! Your prayers and financial support for BLMF provide the means to produce that Eternity-Changing Word for the men, women, boys, and girls in need in every region! Thank you for making such a difference!

ANOTHER WONDERFUL PRAISE TO REPORT is that BLMF is officially debt free! The Lord miraculously provided every dime to pay off the debt accrued from the web press repairs and paper price inflation. So now, we have an opportunity to increase our production. Would you help us by sponsoring paper in the upcoming months? If all our supporting Churches would sponsor a roll of paper monthly, we would have the paper we need to run both presses five days a week! Would you pray about this? **Let's Keep the Presses Running!**
