“...Whom shall I send, and who will go for us?...” Isaiah 6:8

“Father, make of me a crisis man, bring those I contact to a decision. Let me not be a mile post on a single road; make me a fork, that men must turn one way or another on facing Christ in me.”  
~Jim Elliot

Dear Praying, Christian Friends,

I hope that this letter finds you all doing well! I am thankful for the opportunity to bring you news of what God continues to do here in England.

The country has recently gone through the election of a new Prime Minister. The result of this has given us an Atheist as our leader, but we know this has not taken God by surprise. As it says in Daniel 2:21 “And he changeth the times and seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding.” We are confident that the Lord knows exactly what he is doing and has what is best for us in mind! Please pray with us for the leaders of this country!

At the end of May beginning of June our Pastor and a man from our home church came to visit us. We were able to show them the sights of Christian Heritage and of course they were able to do outreach with us and a bit of street preaching as well. They also helped by preaching the services while they were here, and we were able to sing specials together. This really blessed mine and Amanda’s heart.

Another notable thing concerning both of our works. We have had a few of the men step up and

help with some of the preaching and outreach load. We are thankful that the men that that God has placed in our church are willing to step up and step in where they are needed. It truly is a blessing to us. Also, two of them have completed their first year of the School of the Bible.

## HARTLEPOOL

This Summer we have been excited to use our new Street Talk Board. It has brought around more listeners, struck up some good conversations and

brought us visitors to the church. This has left people, as our quote says, “...that men must turn one way or another on facing Christ..”.

We also have taken up the South African tradition of Bring and Share (pretty much potluck) every other month. We love having a house full of people for the Christian fellowship and food. We had about 30 at the last one!

## DURHAM

The Lord continues to bless our services here. We have been able to keep our presence on the bridge with street work and canvas a vast amount of the Gilesgate community.

We continue to pray the Lord will give fruit for our labour. Please continue to pray for us as we pray for you!

Until the Shout,

The Smith Family
