Sept. 4, 2024 Dear Church, Pastor & Praying Friends

Ramping up!

Kids are getting ready for school here in a few days. They start a few weeks later than the kids in the States. Summer is almost over. Most are back from vacation and parents are getting back to jobs and routines. We also are making preparations for the upcoming months.

We thank the Lord for each of you and wanted to let you know that we had intentions to come to the U.S. for a short furlough this fall but circumstances have not permitted. We will try to plan a furlough sometime next year. We will keep you posted.

25th Anniversary

Our church will be celebrating 25 years on October 6. We are planning a big day with special events.

Our children's choir will sing. One of our church members is a professionally trained singer from Venezuela and she recently began this ministry with the kids.

We are preparing a presentation recounting briefly the history of the church since we began in 1989 until today. One of our missionaries has been invited as our special speaker. Everyone is inviting friends and family to come. And then to top it off, we will have a church wide meal after the service.

God has been faithful.

Your faithful giving makes it possible for us to be here. But it's your prayers that make us effective. Thank You! May God bless you and your family!

So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper (in the thing) whereto I sent it. Isaiah 55:11

Pray especially for these requests:

- **Salvation: José Antonio, Diego's father, Fina**
- **Growth of the church**
- **25th Anniversary Service**

Fruit from Russia

I want to thank the Lord for the work that our fellow missionaries have been doing in Russian and Ukraine since the fall of the Iron Curtain. Missionaries have continued to start and build churches there and we are the recipients of some of that fruit. We have helped a Ukrainian congregation here in Murcia for the last 12 years and have been a blessings to each other. We recently sold them our old building. They now have a permanent location that will produce stability and be an encouragement.

We have a Russian family of 6 visiting our church with the idea of joining. They want a place where they can grow and practice Spanish. He was a deacon in a Baptist Church in Russia and now is in Spain looking for a place to serve. Praise the Lord for the worldwide work of missions and evangelism. Our congregation also supports 12 missionaries in Spain and around the world. Our growing group of young people is also international, with University students from the U.S., Italy, Peru, El Salvador and South Africa.
