

The Polanco Family

Dear Praying Partners,

11.04.2024

We hope this letter finds you well and enjoying God’s abundant blessings. Please know our prayers are with you and the United States during this electoral process.

Ministry update:

In our last letter, we shared about securing a building in Mata Bonita. Since then, we’ve been gathering regularly in this new space! We praise the Lord for allowing us to prepare and use it for His work. Over the past few weeks, we’ve connected with several new individuals and families. One of these families is that of Remy, a recent Haitian convert. Although he has physical limitations from an old accident, he’s been eager to serve in any way possible. He also makes sure his daughter and grandchildren attend church every week. His daughter recently accepted the Lord, and we’re now praying for his wife’s salvation. Please join us in praying for her.

Recently, Pam and I attended the first civil wedding of a member in our church. Geraldine, whom we reached during the pandemic, had been praying for marriage to the father of her children. Out of personal conviction, she strongly wanted to be married to serve better. It was a joy to be there with her family. Her husband has begun attending church,

In Christ,

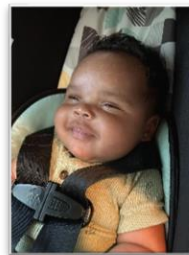

Jeffri, Pamela & Adrian Polanco

and we’re also praying for his salvation. Since the wedding, Geraldine has faithfully served in every ministry, and it’s a blessing to see her family in church each week. Please join us in prayer for her husband, Hamlet.

November is a busy month, filled with ministry opportunities. Please pray for a group arriving to evangelize the Samana peninsula from Nov. 4-14. They will also be helping us canvas Nagua and Mata Bonita. We’re excited to see what the Lord will accomplish through this dedicated team, who recognize the need for the Gospel in northern parts of the island.

Life Update:

In recent weeks, I’ve traveled to preach in several local churches and attended a few medical appointments for our son. We recently learned that Adrian was born with a rare heart condition called *Cor Triatriatum*, where a membrane divides one of his heart’s chambers into two. By God’s grace, his tests show that it’s not affecting him right now, and we’re praying it stays that way as he grows. We trust the Lord to continue sustaining Adrian’s health and are so grateful for His great mercy and goodness in our lives.

Thank you for your continued prayers and support.
