MISSIONARY TO HAITI

Dear Pastor and Church Family,

Happy Thanksgiving from Haiti.

**Praise** "... let us offer the sacrifice of praise to God continually, that is, the fruit of our lips giving thanks to his name" (Hebrews 13:15).

"O give thanks unto the LORD, for he is good: for his mercy endureth for ever" Psalm 107:1

I want to thank you all for your fervent prayers and faithful giving. We could not do what we do without you.

From September through October, I was busy giving updates to some of my supporting churches in the States as well as in Manitoba, Canada.

**Personal soul winning:** During the past few months, God allowed me to see ten people come to the knowledge of the truth, and four followed the Lord in believer's baptism.

In October, I got a text from a pastor at Calvary Baptist Church in Alabama saying, "This is Pastor Cochran at Calvary Baptist in Huntsville, Alabama. We have had a group of Haitians coming to church on Sunday mornings, some of them with Spanish, mostly Creole. Would you have an open Sunday to come and do a Creole service for them? That would be good for us to get information so we can minister to them. It seems like we can communicate to some of them in Spanish."

I was able to go to Huntsville and do a morning service there. I asked Pastor Cochran if he would like me to come back for one week to do another service and to present the Gospel to every Haitian at their homes. I flew from West Palm Beach to Huntsville on the 9<sup>th</sup> of November to preach in the morning service in Haitian Creole. During the week, Pastor Cochran and I went to their houses, and I shared the Gospel with them. Seven of them trusted Christ as their personal Savior, and two out of seven followed the Lord in believer's baptism.

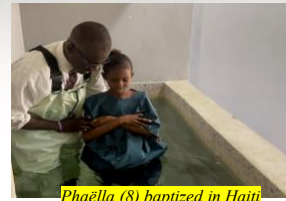

**Prayer Request:** Would you please add Pastor James Knox and his dear wife, Lillian, to your prayer list, praying that God would heal him from prostate cancer?

I have a huge unspoken request about a decision I need to make within a month. Please pray that God gives me wisdom on that matter.

Please continue praying for safety in Haiti. The State Department's Travel Advisory for Haiti remains Level Four—Do Not Travel due to crime, civil unrest, and poor healthcare infrastructure.

Give Thanks,

Robinson Gresseau
