MISSIONARIES to MEXICO

October 2024

Dear Friends,

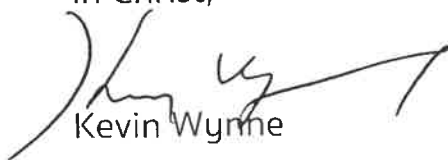

We had a great time soul winning in October. 3,767 were saved in Church services and 2,332 were Baptized! We saw another 243,433 saved through preaching in parks and street services and another 1,979 were Baptized.

Deborah and I were in Chile the third week in October. I preached 16 times Sunday through Saturday. We have started many churches now in South America. As I rented a car, the young man, named Randy, said to me, "Do you remember me?" I have a hard time remembering my own kids, so I told him no. He said, "You showed me how to go heaven a few months ago." At the hotel, the cleaning lady saw my wife and said, "I remember you! You stayed in room 710 several months ago and showed me how to go to heaven when I die! I will never forget you!"

I remember my pastor Jack Hyles telling me how blessed it is for a soul winner to lead someone to Christ, and years later be able to see them again. That is so true. While in Chile, I also handed the Uber driver a tract and asked him if he wanted me to explain how to go to heaven. He parked the car, turned off his phone, and said, "Yes, please, if you have the time." I certainly did.

In October, we sent out more families to start churches in Mexico and South America. We also had great campaigns in Bolivia with thousands saved! Pray for Bolivia. The people have hardly any food, and there is almost nothing to buy in the stores.

None of this is happening without you and your support and prayers. We love you and appreciate you very much. This is all fruit for your account in heaven! (Philippians 4:17)
In Christ,

Kevin Wynne
