

Greetings from Nicaragua!

Janet and I are humbled and grateful as we mark three years of ministry here in Nicaragua. Reflecting on God's goodness during this time fills our hearts with joy and gratitude. From the countless opportunities to serve, to witnessing souls saved, building meaningful relationships, and influencing the next generation, we give all glory and praise to God for the open doors He has provided and continues to provide. Time and space would not allow us to recount all that we have experienced, but we stand amazed at His faithfulness!

We ask for your prayers as we take an exciting next step in our ministry. With God's help, we plan to launch a Bible college this coming March. We have been dedicating significant time and effort to organize this endeavor, and we are thrilled to partner with Pastor John Wilkerson and Hyles-Anderson College to offer a four-year Bachelor's degree program for pastors and young men called to ministry here in Nicaragua. This opportunity has generated great enthusiasm, and we are eager to see how God will use it to prepare leaders for His work.

On November 18–19, Pastor Wilkerson will join us as we host a pastors' fellowship, along with their wives, at our home to officially announce this new ministry. Our prayer is that through this Bible college, God will raise up men to pastor churches and start many new Baptist churches throughout Nicaragua.

In addition to the Bible college, our vision for next year includes planting a church in our own community. This area has been on our hearts, and other churches in the Managua region also share a burden for this need. We are excited about the opportunity to partner with these churches to establish this work. Please pray for God's guidance and provision as we move forward with this effort.

We firmly believe that God has incredible plans in store, and we are deeply grateful for your continued prayers and support. Janet and I want you to know how much we appreciate each one of you. Your faithful prayers and giving have been instrumental in sustaining us over the past three years, and we are confident that much fruit has been added to your account through this ministry.

Finally, we invite you to join our WhatsApp group to receive weekly updates. The opportunities here in Nicaragua are abundant, and we want to keep you informed and engaged in what God is doing here. Your prayers make a difference!

Thank you for your continued prayers and support. We can't wait to share these special moments with you!

May God richly bless you all!

Because of Calvary,
Daniel and Janet Berdine
