

THE HOFFMAN FAMILY MISSIONARIES TO BELGIUM

March 4, 2025

Hello from the Hoffman family,

Time marches on, pun intended, as we go into another month. March seems to be a popular month for birthdays in our church. At the beginning of each month we have everyone who has a birthday that month, come to the front of church so we can sing to him or her. Last Sunday we had ten people come up for birthdays; it was quite the fun time calling out some people that were trying to hide so they didn't have to go up front with everyone else.

February, once again, was a good month for church. We have been consistently packed out with only a few seats open. Every single week seems to bring more and more visitors. We've had some come for a few weeks and we've had some that really enjoy it and stick with us. The mix of people we have here is incredible as well. Christians from Africa, Europe, Asia, the Caribbean, South America and the States are all in church and serving the Lord here in Belgium. Our church has adopted a theme over the last few years, and we say it every time before the service starts. We say, "God is good all the time, and all the time God is good." Last month, one young couple in church suffered a miscarriage late into her pregnancy of their first child. As I was talking to him, he told me, 'Pastor, I don't know what's going on, but I do know that God is good all the time and all the time God is good.' Some of the people are starting to reach a deeper plane in their walk with God and it's a blessing to see.

We had a baptism last month as well. Angelica has been saved for a bit, but she told me that she was struggling with not being baptized and that she needed to get baptized. Her mom watched from Texas and was so excited for her. We know that eventually some valleys will come, but we're enjoying the good times with God!

Thank you for all you do for us, to keep us here in Belgium. We are so thankful that we get be one of your missionaries. Even with all the craziness of what is going on in the world, we know that God wins in the end and we really don't need to worry.

In Christ,
