

Haitians For His Kingdom

on the Island of Hispaniola

February 2025

Romans 15:6 (KJV) That ye may with one mind [and] one mouth glorify God, even the Father of our Lord Jesus Christ.

Coordinated by Mr. Chuck Fries, Pastor Lassiter of Arlington, Texas, Yimi Made and myself, during the month of February, we lead a month-long international soul winning campaign. Thirty three pastors and missionaries in Haiti, Cuba, and the Dominican Republic coordinated our efforts and intensified the focus on John and Romans tract distribution, soul winning, and discipleship. We rallied the church members and stirred ourselves to do more than usual in getting the gospel to every creature. Financially sponsored by willing and able believers in the States, prayed over by hundreds and worked out by hundreds of national believers, this campaign brought forth great results by the Lord and unto His glory.

Each pastor participating was given the tool of \$400 with which they coordinated tract distribution, revival services, promotions,, incentives, and church wide fellowships all for the objective of souls hearing the gospel message. Some national pastors used the offering to purchase much needed chairs for their churches, some bought P. A. systems or speakers, others used the money for gas to go here and there preaching the gospel. Food was purchased to cook and serve to all who would come and then the gospel was preached. A church picnic was held with games and prizes for those members who participated in soul winning and tract distribution. The generosity of the Lord through His people made this campaign a great success.

Pastors and missionaries went into schools, prisons, homes, and open markets spreading the gospel message. Missionary Eduardo Pantina took advantage of riding public buses and taxis to preach the gospel. Missionary Antonio went into prisons and schools on both sides of the border. Pastors in Haiti were the most at risk with the dangers of gangs and thieves, but in spite of the danger many members and pastors spread the gospel in the streets and from house to house in their towns. In one church the pastor would do evangelism work but the people never did. Because of this campaign that church now has organized regular church wide soul winning!

For the month of February 5,579 souls confessed Jesus Christ as their Savior, 96 obeyed the Lord to be baptized, 53,212 tracts (John and Romans) were distributed, 837 people visited services, 95 believers joined a local church, 18,881 heard the gospel message. Many Christians who had never shared the gospel before did so for the first time with the Lord working mightily with them unto the saving of souls!

After the campaign, the laborers having used the offering for the work that the Lord had for us to do, a \$200 gift was given to each pastor specifically for their families who sacrifice so much and in most cases do without a lot for the sake of the gospel. So many pastors expressed their heartfelt gratitude that they as people have value and their families are important to outsiders, not just the work being done but also the people doing the work!

With one mind and one mouth, if you prayed, gave, or were the feet on the ground getting the job done, all glory is to the Father and our Savior Jesus Christ!

Please continue to pray that the seed sown during the campaign would become a great harvest of souls saved and laborers for the kingdom. Also pray that the Lord would grow us and transform His ministers and light a fire under all the servants of God laboring on the ground in Haiti, the DR, and Cuba, that His work would be done with wisdom, humility, fervor, sincerity, godly fear and courage!

All For His Glory,
Biz and Erica Lerisse
