

# MOUNT HEBRON

WE TRAIN NATIONALS TO PLANT CHURCHES IN MEXICO AND BEYOND.

## DEAR FRIENDS AND SUPPORTERS,

Greetings from **Santiago, Nuevo León, Mexico**! We are rejoicing in all that God has done this month. As always, we want to say thank you for your **faithful prayers and support**. Your partnership continues to make an eternal impact!

## EXCITING GROWTH AT MOUNT HEBRON BAPTIST CHURCH

April has been a month of tremendous spiritual blessings. We are thrilled to share that we have **added nine new adult members** to Mount Hebron Baptist Church this month! These are individuals who have recently been **saved, baptized, and completed our “New Members” class**. It is a joy to see people growing, getting rooted in the faith, and stepping forward to identify with their local church.

## FIVE DAY BIBLE CLUBS OUTREACH

Another highlight of the month was our **Five Day Bible Clubs outreach**! God allowed us to hold Bible Clubs in **eleven different locations** throughout our community. **Ninety-two** of our church members and Bible Institute students participated. Altogether, **over 1,000 children and adults attended**, and we are rejoicing that **824 individuals received Christ as their personal Savior**! Praise the Lord for such a great harvest of souls!

The following Sunday, **April 20th**, was a very special day at our church. Many of the people we reached during the Bible Clubs came to our services. In the main auditorium service alone, we had **45 adult visitors**, and **26 walked the aisle** making a **public profession of faith**. That day, **9 were baptized**, and in junior church, **15 children trusted Christ as Savior**. It was a day full of victory, and all the glory belongs to the Lord.

## BUILDING PROGRESS

We continue to see progress on our **church building project** as well. Over the past year, our church family has generously given **more than \$340,000 pesos** (about \$17,000 Dollars) toward **finishing the exterior of our auditorium**. Considering the local economy, this is a **major accomplishment** and a **real testimony** to the faith and vision of our people.

We still have a few more phases to complete, but we are getting close! It's been a blessing to watch God provide through the faithfulness of His people here.

## LOOKING AHEAD — MAJOR PROJECTS IN THE WORKS

As God continues to bless and grow our ministry, we are moving forward with several **major construction projects** over the next few years. These improvements are crucial to meeting the needs of our growing church and Bible Institute.

Here are some of the key projects we are preparing to complete:

- **Finish the exterior of the main auditorium**, including final masonry work, facade

detailing, and installing permanent exterior doors.

- **Complete and connect the new electrical substation (transformer)** to meet our long-term power needs.
- **Run all new underground electrical wiring** for the auditorium, Sunday School building, and future development.
- **Renovate and update the existing electrical installation** in the main auditorium and Sunday School building.
- **Develop the overall property**, including grading, sidewalks, paved parking, landscaping, lighting, and creating a second entrance.
- **Construct over 10,000 square feet of new building space**, including additional Sunday School classrooms, nursery and toddler rooms, bathrooms, administrative offices, and a welcoming lobby.

We realize that building and expansion go far beyond stacking cinder blocks — these projects require **skilled tradesmen and professionals** with expertise in **construction, electrical work, plumbing, site development, surveying, and project planning**.

If you have experience in these fields and would be willing to come and help us — even short term — **we would love to hear from you!** God is doing something special here, and it would be a great blessing to have skilled laborers join in the work.

## THANK YOU

Thank you again for being such an important part of what God is doing here in Mexico. Your **prayers, support, and love** are bearing fruit every single week. We know that none of this would be possible without the **faithful laborers behind the scenes**, and we thank God for you.

Please continue to pray for us as we move forward with the work. **We are praying for you as well** and are excited about what God has in store for the rest of 2025!

**For souls in Mexico,**
