

## OPEN BIBLE BAPTIST CHURCH

May 21, 2025

Dear Friends,

First I want to apologize for this letter being late. My wife had to call 911 for emergency service. She was taken by ambulance to the emergency room, and was then admitted to the hospital. They found that she had a 99 percent blockage in one of her arteries. After surgery, she stayed in the hospital for a few days before coming home. Continue to pray for her please. If this doesn't work well, a pace maker will have to be put in.

Our Easter service was wonderful! We had well over 200 in attendance. Eggs were high priced, but we still had the Easter egg hunt for the kids.

April was our soul-winning marathon, and God gave the increase. Our church had someone out everyday, even Sunday between services. We passed out 1,333 tracts and saw 64 souls saved.

In May we had our annual Cowboy Camp Meeting Revival. A church donated more pews to help with seating, but we still had to but extra chairs out. We had preachers and people from nine states in attendance. There were many decisions for Christ and 42 souls were saved. To say that God showed up, would be absolutely correct.

Until He comes or I go,
