## News Bullet Points

- Our Easter celebration was blessing. We had an outdoor service in the countryside with the gospel being preached and visitors hearing a clear presentation of the resurrection and of the hope that is within us.
- We continue to witness in the street markets to those that will listen and to pass out literature. I've noticed that the Muslim people are more receptive to receive tracts and Bibles than the Spanish people. We hope to see some fruit from this someday here or in heaven.
- A sister church is starting a new mission church and we were pleased to help with donating furnishings. We pray for it's success and for the salvation of souls. May God raise up more works in this needy field.
- Pray for our VBS as we are gearing up and making the preparations for that. The kids are already excited. We have a new puppet stage this year. Our children's ministry is a joy!
- We have some family news! Our oldest granddaughter is graduating from High School in Abilene, TX. I know we don't look that old but it's true. Isabella placed in the top 25 of her class academically and is a letter gymnast, artist and musician as well. Pray for her as she enters the University environment.

## Missions Month

We are a missions giving church. Your support to our ministry goes around the world.

We asked for your prayers in our last letter for our missions conference. Our commitment for the next year of Faith Promise surprised us and exceeded our expectations. God is good.

Missionary bio: One of our missionaries is a young couple serving in Israel. I can't give you their name for protection purposes but they are adapting to the situation there and being a witness in the capacity that they are able. Your part in our ministry here in Spain extends to Israel. Isn't that exciting?

## Like the Macedonian call: Come help us!

Perhaps you would like to serve on the mission field but aren't called or train. Maybe you could come help us in the work while continuing to work in the secular world. Some people who have visited our church were digital nomads and could work from anywhere in the world. Could that be you?

I know that we need new missionaries, but we also need people in our church with a heart for music, a heart to serve, a heart for teens. Maybe God could use you here in Murcia, Spain. Learn Spanish. Follow God's will.

Your faithful giving makes it possible for us to be here. But it's your prayers that make us effective. Thank You! May God bless you and your family!
