Greetings Dear Pastor:

Another month has passed and I saw another child get married. Two down and one more to go. The last wedding will be July 18th, then we head back to Thailand. My 27 year old daughter Rachel graduated from Bible college on May 8th and then got married on May 23rd. During this time we were able to stay in her house and spend time visiting some of our supporting churches in East Texas.

We also presented our mission in two new churches. Unfortunately, we have recently lost several supporting churches, and we are working hard to make up for that loss. If any of the churches we presented to during our deputation are still considering partnering with us, we sincerely hope they will.

Thailand news: The man Sutin who helped our church for two months left at the end of April. However, God moved on his heart to return and take the job. He listed three reasons: 1) The need of our area. 2) He has never experienced a ministry like ours. 3) He wants to focus on the Lord and improve his English translation skills.

He starts June 15th! Praise God!

Missionary Todd Painter

This is my daughter Rachel who graduated May 8th from Bible college in Longview, TX. She was on the "A" honor roll and received the top award for most souls saved for the school year. (My other daughter Beka finished right behind Rachel for souls saved.) Rachel will be the new high school math teacher in Longview Christian Academy.

Nyin got saved this month as the work in Thailand continues. There is soul winning every Thursday and Saturday. The services have been averaging in the mid 30's every week. We have also had 7 first time visitors this month.

Rachel Painter married Jacob Dean on May 23rd. It is an honor and a blessing to give my daughters away to such fine young men. I will now have the privilege of giving away my next daughter this coming July. In the month of June my wife will have a test done on her heart to make sure that everything is okay. I will also have my yearly doctor appointment for my blood condition.
