October 2025

Faithful Friends,

Time seems to go by so fast, especially on the road. As you try to recall the individual events, things can easily become a 70 mph blur. Since our letter in June, we have been as busy as ever. We've dealt with COVID, car transmission, mechanical issues, cancellations, and other besetting issues.

We want to thank several churches that supported us during our recent breakdowns. Your willingness to help in times of unexpected need meant more than words can express. Through practical help and encouragement, you were a blessing.

Through it all, the Lord has prevailed and shown himself strong, allowing us to continue.

Looking back over the last three months, I see many singular events where God's people wanted to participate in the holy acts of teaming up with us to get the word of God printed for ministries. Victory Baptist Press continues to print and deliver Spanish Bibles to many places, especially 9 Spanish-speaking countries in South America. Time fails me to detail all the massive ways VBP is being used to get God's word out free of charge. A roll of paper continues to cost around \$1600. The Lord always provides. That's where the importance of what we get to do comes in. We are merely a part of something much bigger than ourselves.

WE ASK PRAYER for our safety and efforts to be fruitful in getting funds for the paper. It is God who gives us the power to get wealth. (Dt 8:18).

WE ASK PRAYER for the Lord to touch hearts about giving to help.

WE ASK PRAYER that our health will continue and that God will permit us to do His work. After 10 years on the road full-time, it's truly a marathon, not a sprint.

Thank you for your love and support for our labor on the road. Dee and I fully comprehend the amazing people the Lord has to accomplish that which HE pleases (Is . 55:11) to do in the last days.
