

# MOUNT HEBRON

WE TRAIN NATIONALS TO PLANT CHURCHES IN MEXICO AND BEYOND.

Warm greetings from northern Mexico. It has been several months since our last update, and we want to take a moment to share God's goodness to our family and ministry during what has been a season of both heaviness and blessing.

In September, Jenny's mother passed away unexpectedly. We spent three weeks in the Upper Peninsula of Michigan handling the funeral, helping with necessary paperwork, and preparing her home to sell. We are grateful for the Lord's comfort and for the many who have prayed for our family during this time. Please continue to keep Jenny and the children in your prayers as they walk through this loss.

Even in the midst of sorrow, God has continued to show Himself faithful in the work here. Since our last letter, one of our faithful supporting churches gave a generous \$4,000 offering specifically to help us purchase a bus for our Bus Ministry and Bible Institute. This was an answer to prayer and came at a perfect time. Our plan is to purchase a used bus in the United States and import it into Mexico as soon as possible. We would appreciate your continued prayers as we take the next steps—finding the right vehicle, handling the legal process, and covering the remaining expenses.

Ministry at Mount Hebron continues forward. Our church family has remained faithful, and we are grateful for souls being saved, new families attending, and continued growth in discipleship. The Bible Institute has had a strong year, and our students are actively involved in outreach, teaching, and soul winning each week. We are humbled to watch God raise up another generation of workers for the harvest.

Thank you for standing with us through the highs and lows of this year. Your prayers, your friendship, and your financial support make a real difference in our lives and in the ministry God has called us to. We do not take it for granted.

Please pray specifically for:

- Wisdom and provision as we purchase and import the ministry bus
- Strength and comfort for Jenny and our family during this time of grief
- Continued growth in our church and Bible Institute
- Souls to be saved as we enter the Christmas season

We are grateful for each one of you. Thank you for allowing us to represent you here in Mexico.
