Jan. 2, 2026 Dear Church, Pastor & Praying Friends

We thank the Lord for the blessings and trials of 2025

The blessings we are always ready to receive and remind of us our great God and Savior. He provides, protects and sustains us. Some of our blessings this last year were:

- Kelly and I are both healthy without any medical issues.
- Kelly has been my faithful sidekick, partner and cheerleader for 42 years.
- Our kids are saved and faithfully attend church. We are praying for the salvation of our grand kids.
- The church continues to heal from some major conflict in 2024. We are doing better and there is a good spirit.
- Visitors continue to come and we rejoice in those that return and stay.
- We had a special Christmas service with a presentation by our children's choir. We thank the Lord for the parents that encourage their kids and for the ones that work with them.
- The new work in Cartagena is progressing and we have a consistent group of 8 in attendance.

Some of our trials and disappointments:

- Boujema, the Muslim man that we reported on last letter, has disappeared and we can't contact him. We do not know what happened. Pray for him.
- Juan Pablo, who was also recently saved, has not been able to be in church because of work. Pray for him.

We look forward to 2026 with hope and expectation. We want to see the Lord continue to use us in the needy field of Spain. Pray for fruit and faithfulness. We appreciate all of you and especially those that sent special Christmas offerings. Thank you and God bless you!

Your faithful giving makes it possible for us to be here. But it's your prayers that make us effective. Thank You! May God bless you and your family!

- **Salvation: José Antonio, Diego's father,**
- **For Juan Pablo, Boujema.**
- **Growth of the church**
- **Missionaries and workers to come help us.**
- **Strength in the battles and wisdom in the ministry.**
