## Fall & Winter 2025

Hello everyone,

I hope God has blessed everyone of you that pray and support missions! I just don't know how I would make it without you! It's been a long and busy year.

Fall has brought us to our Church Planting Conference at Wilson Creek Baptist Church in Battlefield, Missouri. What an encouraging time! The messages were encouraging and uplifting! Pastor Moody hosted several hundred pastors and friends. There were about 35 church planters who presented and they all were given a good gift of encouragement. About \$101,000 was poured into the offerings and distributed to every presenter! Praise God for what He can provide to help plant more and more churches across America!

After the end of the conference, I headed to Nashville, Tennessee. I was privileged to meet with Pastor Richard Jacob at the conference, who has been meeting in a motel for seven years. The church purchased 10 acres in Nashville with a house that is needing to be converted into a church. The church's name is Nashville Baptist Church.

I was able to make two trips here during a three-week period. Pastor Jacob asked me if I could install the carpet. When I arrived, everything needed to be done. I had to do quite a few things before I could install carpet. I was able to instruct Pastor and his brother on how to lay stone on the back wall while I started on the lighting and mini split heating and air system. My sister, Amy, came from Kentucky, and my son, Drew, came from north Georgia and assisted with the AC units. Once those were done, I was able to run all the electric for the sound system and outlets. I also installed and wired all the lighting and power for the two TVs. All the audio and video wires were tucked neatly into the walls and through the ceilings so no wire was exposed. Finally, the carpet! I had so much help with Pastor's brother, Stanley, and family. Pastor's family was here from India and they helped every day where they could! What a blessing! With about three weeks of labor, the church was complete! Amazing is my God! We were able to have a grand opening service with several pastors in attendance. Bob Larson from BIMi and David Ledford led the service with encouraging messages.

Now that I am home, I have a lot to do. Christmas is only 10 days away and we are ready to start a new year! I want to thank every one of you for supporting the work of God and all of the missions that you do support! My home and camper need quite a bit of work at this time. I need to take this opportunity while home to get something done on my camper for future travels.

Please continue to pray for New Testament Church Planting, and the workers' health and well-being to keep on building and encouraging God's people. Thanks to all! Merry Christmas and Happy New Year! See you next year!

Workin' till Jesus Comes,  
Drew Needham
