Ministry of International Asian Mission Cooperative - Church Planting in Metro Manila – Sent by Grace Bapt. Church, Marion, IA

## Promise to the Church

In Matthew 16:18 one of the greatest Bible promises is given by Jesus Christ to His Local Churches that: "...the gates of hell shall not prevail against it." This great vs promises our Bible believing, Gospel built Churches will never be overcome. A local Church that was established by The Son of God, Who is the Almighty God (Isa 9:6) is promised to never be conquered by the devil, those of hell whom would represent his evil ways of unbelief, nor any other thing in heaven or earth (Rom. 8:31-39).

Consequently local Gospel built churches are very important (vital) to the peoples & nations of the world to hear the Word of God, to be confronted by the Gospel of The Lord Jesus Christ that only Through Him may any soul be eternally Saved...

Therefore the invincible local Church's are God's weapons against the false religions; to combat the evil forces of error / heresy; the many "works" salvation groups, & the deception of Satan's armies of apostasy.

This is why true Churches of USA are very important to win souls, stand for righteous Biblical causes, and to send out multitudes of missionaries to empower the nations of the world with the Gospel of Salvation by Grace through Faith (Eph. 2:8,9), and to establish large number of Bible Believing Local Churches. Our local Church plants are Preaching the Gospel; Teaching the Bible; Exercising the new converts in basic Christian principles of faith-obedience, and standing in His Power to Preach Salvation. Praise Him for creating the Local Church!

> Praise be to God that the Philippines is both open to receiving the Bible Gospel of Salvation by grace through faith along with building strong Local Bible Preaching, soul winning Churches. Converts pics below:

## Growing Local Churches

Local Churches are growing all throughout the Metro Manila Area. Below pictures are of another church plant in Antipolo / Rizal reaching the lost in a very poor district. We were happy to see their Larger Building.

[ 7 people saved - the invitation - Leader ]

My wife and I had the opportunity to travel to our nearly five year old church plant in Tuguegarao City to help them prepare for our exciting Anniv. Celebration. Pray for many people to attend this celebration, in that, it will be held in their new, remodeled auditorium. This venue is "air conditioned" and has a large room for Sunday School.

Above two churches are many kilometers apart from each other yet in their densely populated areas they preach the Gospel door to door & person to person winning many, inviting them to their local church: to grow, be baptized, discipled. Jude 22 reminds: "And of some have compassion, making a difference..." Eternity will show the great impact every church member has made as they sacrificially live for The Lord.

[ Outreach - Leader & fam. - Naga Ch Aud. ]

Exciting example of an open effectual door given to us by The Lord in the city of Naga (Bicol region). Many souls are continually being saved out of catholicism & many of their converts are attending our churches.
