Youth Activity

We took six of our kids to a youth activity being held at International Baptist Church in Hua Hin. It was a blessing for our kids. The activity had six different churches attend. There was preaching in the morning and the late afternoon with activities in the middle. Two of our kids surrendered to serve God with their lives!

A Soul Winning Effort

My wife was burdened for her French Osteopathic lady doctor. My wife took her out for coffee and had the opportunity to present the Gospel. The lady trusted Christ and was very excited about receiving a Bible and getting to do a study through a Grow in Grace booklet.

Special Needs

I want to express my gratitude to those who help us with our ministry needs. This month I would like you to please keep my wife in your prayers as she is dealing with an oral infection. She has oral surgery with a root bone graft on March 9th.

The extent of the necessary work remains uncertain until the surgery, and costs could range \$515 (base cost) to \$1,450. (Recovery process takes 6 months.) Unfortunately, our health sharing plan does not cover any dental expenses. I don't normally throw personal expenses into this category, but I paid out of pocket recently for my wife and daughter's medical. Please just pray and thank you for any consideration!

My daughter Debbie got engaged on February 14th to Bryant Bulkley.

Bryant is a student at Commonwealth Baptist College and is going to be a missionary to Thailand. He has known my daughter since 2023. It is a great fit for Debbie since she is fluent in Thai and has a heart for Thailand.

This is Brother Chris Edwards who visited us this month with his wife Teresa. They are from Twin Rivers Baptist Church in New Berne, NC. This is one of our partnering churches. Brother Edwards preached for us on Sunday night while he was here. He and his wife were a tremendous blessing for us to have here.

This is Joshua who got baptized this month. He is pictured with his parents (James) Pron Wirotprasit and his mom (Tamala Khu) Dtang Moe. Both his parents are key helpers in our church. Joshua recently surrendered his life to serve God fulltime at a youth activity with International Baptist Church of Hua Hin.
