

March 2026

Dear Friend,

March passed quickly but with great blessing! 242,070 received Christ as Savior in preaching services and 4,399 were Baptized. We had our first Friend Sunday with many thousands attending the A services. In April we will have a Friend Sunday for the B service. The church my wife and I started in a house in 1984 is still growing. Some tell me that it is the largest Independent Baptist church in the world. I don't know about that, but it has gotten quite large, praise God!

We are also seeing many thousands saved in South America, Africa, and Asia. We have started working with Filipino pastors on new evangelical and soul-winning programs, and they are very excited and are reaching thousands of souls for Christ.

None of this is possible without your prayers and support! We are so grateful for you, and all that you are doing will be fruit for your account in heaven!

I was preaching a Bible club in the street Saturday and over 300 trusted Christ. As I preach, my wife Deborah is witnessing to people walking by. As she was witnessing to a man, his so-called friend was mocking him and laughing at him for wanting to be saved. He looked at his friend and said, "Well, you are going to burn in Hell. We will see who is laughing then." That is very sad, but true.

Please continue to pray for our safety and our children and grandchildren. We love and pray for you.

In Christ,

Kevin Wynne
