Missionaries in Australia

August 2026

Dear Pastor and Friends,

God is so good! We have had quite a bit happening around here! For starters, my mother has come from Indiana to stay with us. It looks like she may be here until next year. We would ask each of you to pray for her to be able to stay in Australia for a year, for her health, and for our new scheduling with a houseguest. It has been a huge blessing for me to have Mom over here.

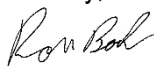

Right after Mom arrived in June, I was able to purchase a vehicle for travel and ministry. Thank you so much for helping us with money and prayers. We were able to get a 2013 Holden Colorado. I found the vehicle in Adelaide, South Australia, one state over. It was listed way below what we could find in Victoria. While I was trying to complete the purchase, a friend of ours in Adelaide, Pastor Trevor Ringwaldt, an Aussie I have known for ten years now as my "Australian dad," was hospitalized, and the Lord allowed me to make three trips to see him in his final days. The final trip was for his funeral on July 31. The funeral/thanksgiving service, as Aussies would say, was a beautiful time of remembering how impactful he was for the cause of Christ in Australia. He started several churches here, and he led our homeschool movement. I will truly miss the fellowship and love I received from Bro. Ringwaldt. Please pray for his family as they deal with the separation.

My birthday, July 9, was absolutely wonderful. I appreciated the beautiful cards and notes that were sent. This time of the year highlights how amazing it is to see what God has done over the years for us and through us. We have seen scores of people saved and lives changed, churches started, families healed, and children grow and marry and start families of their own. Thank you so much for being a part of our life. Many of you have supported us both financially and with prayer support for over 20 years now, and you will share in the rewards of anything we have accomplished for the Lord.

I would also like to thank everyone for praying for the Pastors' Fellowship. I was able to give the devotion, and the Lord led me to preach/teach (heavy on the preach) about the fight of the ministry to encourage the preachers here to fight for our King James Bible and to fight against liberalism and take a stand for Christ. I would like to encourage you to continue in the faith as we do here.

Please pray for more souls to be saved and for the ministry to continue.

Sincerely,

 2 Sam
