Dear Partners in Ministry,

Greetings from Nicaragua!

God continues to do amazing things here in the country. The demands of ministry are great, and they keep my wife and me very busy. But we praise the Lord for the many opportunities He has given us.

Here in Nicaragua, we are seeing souls saved every week, young men are being trained for ministry, pastors are starting churches from their churches, young people are surrendering to the ministry, and the fields are white unto harvest. God is still at work! Don't get discouraged. God is still in control. This couple have been saved and they followed the Lord in Baptism.

We just finished our first semester for 2026. July is our break between semesters. Classes will resume the first week of August. We are grateful for the break. It has been a busy year. God has allowed us to have nine pastors from the States come to teach in the Bible college. What a blessing this is to our students, and we are grateful to God for the sacrifice these pastors have made to come. We have hosted several pastors' and wives' fellowships, preaching conferences, and marriage conferences. We currently have 21 students in the Bible college. Four of those students are starting churches. We praise God for the opportunity.

Praise the Lord a new body of believers are being assembled into a local church in our community!

Please continue to pray for our family. My wife continues to serve so faithfully and ministers to the ladies and pastors' wives. Please pray for daily strength. One of her gifts is hospitality, and she works very hard hosting so many visitors. Her dedication and endurance always amaze me. Our youngest son, Nick visited with us a couple weeks. God used him greatly while he was here. Valerie, our daughter, is currently with us. Please pray that God will bless her time here.

It's such an encouragement to have them here. Our son Nathaniel and his wife, Hannah, will visit in September. He will be teaching in the Bible college. We praise God for our family.

We are very grateful for all your prayers and faithful support. May God richly bless each of you. May we continue to serve the Lord Jesus Christ until He returns.
