

2nd Quarter 2026

My time in Israel was like the calm before the storm. Once I returned home from Israel life got overwhelming but exciting. After landing I had a two-day period of unpacking and repacking before heading out on the road for meetings. Over the next couple of months, I would be in meetings in South Carolina, Alabama, California, Kentucky, Missouri, Tennessee, Georgia, and North Carolina. The Lord blessed with some amazing services. During this time there were periods of immense joy as well as overwhelming sorrow. Praise the Lord, my youngest son Timothy got married to a wonderful young lady named Hanna, and they were able to buy their first home. It is exciting watching them build a life together. On a sad note, my brother passed away. It was difficult preaching his funeral, but I am very thankful for the grace of God that sustains us during those difficult times. It is hard to believe it is just me and one of my sisters left in our family. I am reminded in the Jewish wedding that they will break a glass under their feet. This is a reminder of the destruction of the Temple. The shattered pieces of glass is also a reminder that life is fragile. Truly life is filled with both joy and sorrow.

The Lord is continuing to allow us to raise money for the ministry among the the reserve units in Israel. The opportunity to get the gospel to the soldiers throughout the North has been amazing. Lord willing, we will be heading back over in November. Thank you for your faithful prayers and support.

His servant, Bro Sasser
