August 2026 Prayer Letter

Dear Praying Friends,

Praise and Thanksgiving: God is so good to us! He watches over us, gives us health and strength, and watches over us in all our travels. We are so thankful for your prayers for our health and safety, as well as for the Keep the Buses *Rolling* Ministry. We thank you for your cards and messages.

Northwest Indiana Storm Update: This has been an unusually severe storm year in Northwest Indiana, with numerous tornadoes and several major storms affecting our area. We are very thankful for the Lord's protection at our home. Despite the severity of the storms, **we had no property damage other than one tree limb falling in the yard**.

The August 11 Derecho caused tremendous damage throughout Northwest Indiana and produced the largest power-restoration effort in NIPSCO's history. Our electricity went out on **August 11 and was not restored until August 26 — approximately 15 days without utility power**. During that time, we were able to operate on generator power and continue as best we could. We praise the Lord for His protection and thank everyone who prayed for us during the storms and the long power outage.

Ministry Blessings: God has allowed us to help churches fix 51 buses. It is our privilege to go soul winning with the bus captains and to give out tracts wherever we go. We preach on the importance of having a bus ministry. Most of those who have been reached with the Gospel of Christ were saved under the age of 18.

Bus Mechanics Prayer Portal (Conference Call): It has been three years since we started the prayer portal. All church bus mechanics are welcome to join us or just listen in. Call my cell phone for more information. It is on Tuesdays, Thursdays, and Saturdays at 8:00 a.m. Eastern Standard Time. We bear one another's burdens, and *iron sharpeneth iron.* We do some training on buses also.

The Power of the Gospel: My grandson Caleb and I were looking for a part at O'Reilly Auto Parts, and we were able to share the Gospel with Kevin. He was so ready to receive Jesus as his Saviour. We went away with rejoicing for what God had done.

While soul winning on Saturday with Missionary Andrew Ayers, we saw seven people saved. One was delivering food, so he delivered the food and came back to hear the Gospel. My wife and I also had the opportunity to lead a waiter to the Lord in a local restaurant.

We so appreciate those of you who partner with us in prayer and financial support. We are thankful for those who have bus ministries and are growing them. We are praying for a revival in the bus ministries all over America.

Prayer Requests: (1) Pray for more Bus Conferences to be started up again. (2) Pray for more bus workers to step up. (3) Pray for CDL drivers to volunteer. (4) Pray for churches to start new bus routes. (5) Pray for missionaries to the bus ministry—Marco Hannel (865-202-4387) and family and Andrew Ayers (515-417-8245)—as they raise support and schedule meetings to repair buses and much more. We are praying for a paint-and-body missionary to the bus ministry. Pray for three other men who have surrendered to be missionary bus mechanics, as they get things prepared. There is more work than the three of us can handle.

Yours for souls,

Warren Storm
